WCF Financial Bank Announces Bradley Mickelson As New Director

Webster City, IA: WCF Financial Bank is thrilled to announce Bradley Mickelson as its newest addition to the Board of Directors. He was elected in the December 2018 Board of Directors Meeting. Growing up on an acreage in rural Duncombe, Bradley has followed in the footsteps of his grandfather and father, becoming heavily involved in the Agriculture industry at a young age. He earned his Associate's Degree at Iowa Central with a concentration in Agriculture. WCF will be Bradley's first board to serve on. When not busy in the field, Bradley enjoys spending his time fishing, hunting, and golfing.

"WCF is extremely pleased to have Mr. Mickelson join the Board of Directors. Brad is a local farmer that brings a lifetime of agricultural background and knowledge to the bank Board," said Mike Segner, President and CEO. "He was born and raised in the area and continues to call the Webster City area "home". We are very excited to have Brad on the Board as we expand into Ag and Commercial Lending and Deposit Services."

Please join us in welcoming him to the bank. To learn more, we invite you to stop by either of our two offices or visit www.wcfbank.com
